Newsteps Library

We're excited to announce the opening of the Newsteps Library, conveniently located across from the office!

Our library is filled with a variety of books for children and families to enjoy together. Reading at home helps build language, imagination, and a lifelong love of learning.

We encourage you to stop by, browse our collection, and borrow a book to share with your child. We ask that all borrowed books are handled with care and returned on time so that other families can enjoy them too.

Thank you for helping us foster a love of reading within our Newsteps

community. We look forward to seeing you at the library!

Happy Reading!

SUMMER FUN WATER DAYS

As the weather starts to get nicer and hotter we like to do water days with the children. So we are asking parents to bring in swim clothes and extra change of clothes every week for the summer (July and August). We will give parents a day or 2 notice on when we will be having our water days. We will be going according to the weather that week.
