

Growing together

Transitions to new places and routines can be very challenging. Here are a few ways you can support the transition.

1. Introduce your child to the Teacher, assure your child the Teacher will help them have a great time and take good care of them until you return. This will help to build relationships and trust.
2. Establish a predictable goodbye. It is always best to let your child know that you are leaving. Always assuring them you will be back and that you always comeback.
3. If you speak another language at home, share a few key words so that you child will feel comfortable and familiar
4. Share a few of the favourite things your child likes to do.
5. Do your best to be timely, establishing a time for drop of and pick up, it will help your child feel secure.

Please keep your child's personal supplies well stocked.
